EXPERIENCE

Bark SA, San Antonio, TX — Asst. Trainer

JANUARY 2012 - APRIL 2014

Trained service dogs for wounded warriors and other veterans. Worked with most veterans for at least a year to have them regain their lives with the help of a service animal.

KJ Group, San Antonio, TX — Employee

JUNE 2014 - SEPTEMBER 2018

Began as an unlicensed assistant, managed transactions and gained new clients while supporting the team lead to become Rookie of the Year, maintained top 100 placement in residential real-estate city-wide, managed organization & marketing systems along with internet leads, became local public figure and boosted sales, managed graphics, website, video editing, and social media.

Bersis Real Estate, San Antonio & Austin, TX — Founder

SEPTEMBER 2018 - PRESENT

Manage investment portfolios for several clients. Orchestrated development deals for investors, builders, and other developers. Managed development deals from property acquisition to sales. To this current date have funded over \$15 million in development alone. Worked hand in hand with Tony Parker's investment fund to strike a development deal.
